

# Visit our new Project Office at Gulgong

9th to 11th of November 2021

## When

10am-4pm on Tuesday Nov 9

10am-4pm on Wednesday Nov 10

10am-6pm on Thursday Nov 11

## Where

79B Herbert St Gulgong –  
opposite Cobbs Bakery

UPC\AC Renewables Australia is proposing to develop two solar farms across cleared grazing land between Gulgong and Dunedoo.

**The Stubbo Solar Farm** - a 400 megawatt project that was recently approved by the NSW Government.

**The Birriwa Solar Farm** - a 600 megawatt project that is in the early stages of planning.

Drop by and meet the project team and find out more about these important renewable energy projects.
